

FANTASY LIGHT (LED)

Without cutting the plastic bottle!

EASY TO INSTALL

Size is tall enough to shine brightly!

Because it is a AAA battery, it lasts a long time!

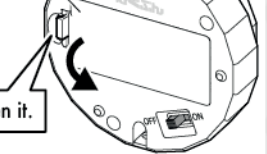

With 2 x AAA manganese dry cell batteries for testing

It shines colorfully and beautifully!
RAINBOW LIGHTS!

How to use

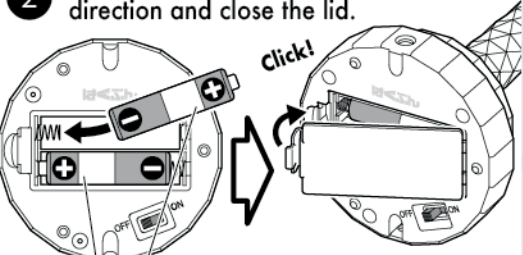

- Open the lid on the backside.

*Pull the claws to open it.

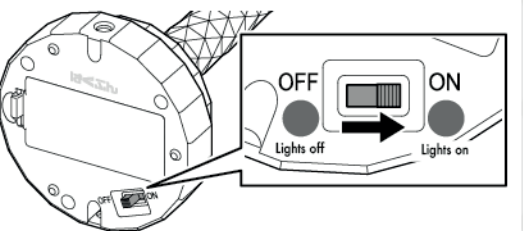

- Insert the battery in the correct direction and close the lid.

Click!

*Close the lid until you hear a click.

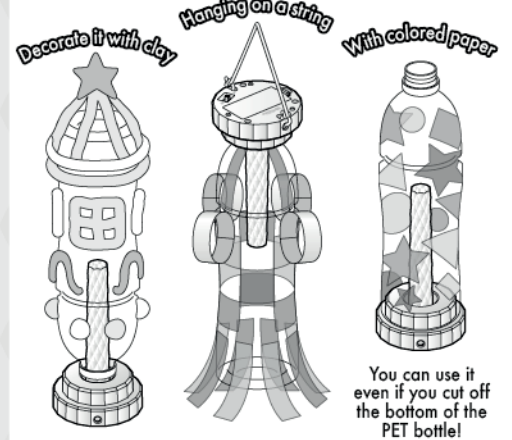

AAA manganese dry cell battery
- It glows when the switch is turned on. Always turn off after use.

- If the light does not work properly, replace the batteries with new ones.
- If you are not going to use it for a long time, please remove the batteries.
