

Sample Answers

Planning sheet

Reach the goal!
(L-shaped course)

Name _____

For teachers: Please make copies of the planning sheets.

Tell us what you've learned!

*At the beginning, the start and finish positions should be defined.

The number of blocks forward will vary depending on your defined start and goal positions.

★ As the course turns left once, it is important to use the following order:
START + Forward + Left + Forward + END.
