

# Sample Answers

## Planning sheet

Reach the goal!  
(U-shaped course)

Name \_\_\_\_\_

For teachers: Please make copies of the planning sheets.

\* At the beginning, the start and finish positions should be defined. The number of blocks forward will vary depending on your defined start and goal positions.

★ As the course turns left twice, it is important to use the sequence **START + forward + left + forward + left + forward + END.**
