

# Planning Sheet 3-03

Let's get back to the start through the passing point! (3 passing points)

Grade \_\_\_\_\_

Class \_\_\_\_\_

Name \_\_\_\_\_

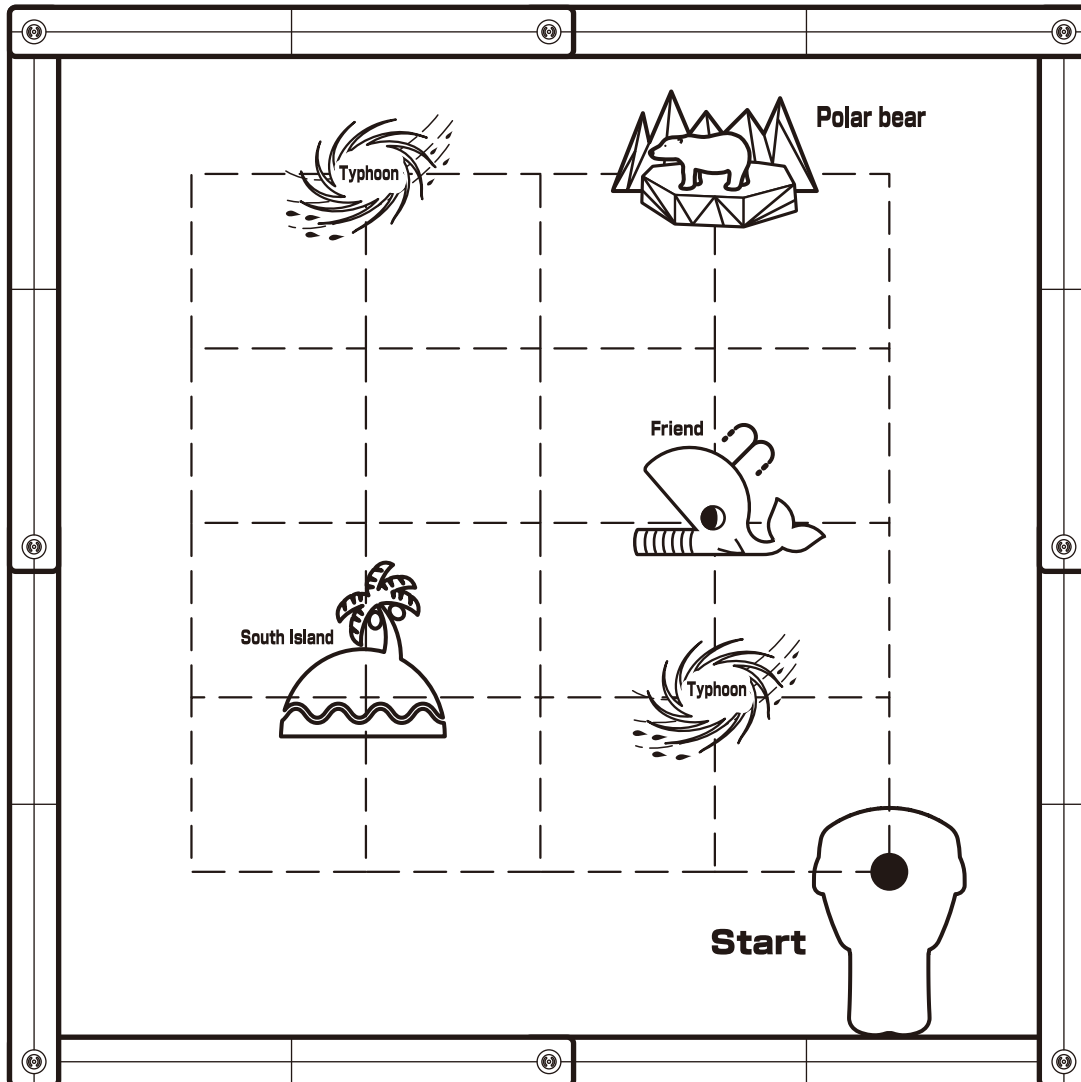

For teachers: Please make copies of the planning sheets.

## 3 Passing points

Let's try this course with one set of bit blocks.

- Let's go see our friend RoboWhale, then go to the south island, then go see the polar bears, then let's go home.

Note: The typhoon area is dangerous, so figure out a way to get there without going through it!

Write your thoughts after your lesson!
